B. Termination of service without notice

1. "In a competitive marketplace, the Electric Service Provider cannot order a disconnect for non-payment, but can only send a notice of contract cancellation to the customer and the Utility Distribution Company." Utility service may be disconnected without advance written notice under the following conditions:
 - a. The existence of an obvious hazard to the safety or health of the consumer or the general population or the utility's personnel or facilities.
 - b. The utility has evidence of meter tampering or fraud.
 - c. Failure of a customer to comply with the curtailment procedures imposed by a utility during supply shortages.
2. The utility shall not be required to restore service until the conditions which resulted in the termination have been corrected to the satisfaction of the utility.
3. Each utility shall maintain a record of all terminations of service without notice. This record shall be maintained for a minimum of one year and shall be available for inspection by the Commission.

P. 20 in R14-2-211.C.

DELETE "No change." and INSERT:

C. Termination of service with notice

1. "In a competitive marketplace, the Electric Service Provider cannot order a disconnect for non-payment, but can only send a notice of contract cancellation to the customer and the Utility Distribution Company." A utility may disconnect service to any customer for any reason stated below provided the utility has met the notice requirements established by the Commission:
 - a. Customer violation of any of the utility's tariffs.
 - b. Failure of the customer to pay a delinquent bill for utility service.
 - c. Failure to meet or maintain the utility's deposit requirements.
 - d. Failure of the customer to provide the utility reasonable access to its equipment and property.
 - e. Customer breach of a written contract for service between the utility and customer.
 - f. When necessary for the utility to comply with an order of any governmental agency having such jurisdiction.
2. Each utility shall maintain a record of all terminations of service with notice. This record shall be maintained for one year and be available for Commission inspection.
